DEMO

Conditional Access filters

Ever had the issue where users had two mobile devices?

1 Corporate iPhone +
1 Personal iPad

cegeka INSPARK kpn Partner Network PATCH MY PC PINK YDENTIC

Filters - personal vs company owned

- Use (CA) filters to distinguish personal vs corporate device
- Force compliance when corporate device

ACTION REQUIRED

Microsoft Store for Business Apps

Deprecated

Intune will stop deploying Store for Business / Education apps on 15th June.

Move to the new Microsoft Store app before then to keep deploying store apps.
